# U<sup>5</sup> ULTIMATE-DEFENSE™

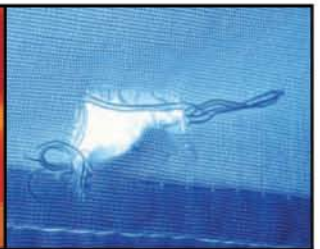

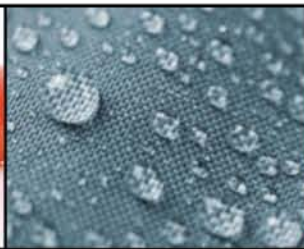

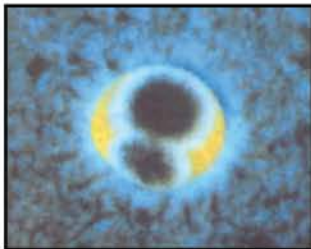

## Always on Guard

Duro Textiles, LLC now offers industry-leading protection against damaging UV rays, abrasion, stains, weathering, mildew and mold formation for outdoor furniture products. The system is called Ultimate-Defense™ and is the maximum protection offered under the Duroshield system™. Using a proprietary layering system, fabrics can be protected from environmental and man-made fabric threats. The layering process utilizes various individual Duroshield™ components such as Wear-Defense™, Nano-Defense™, Mildew-Defense™ and Solar-Defense™. When using Ultimate-Defense™, printed outdoor fabrics remain colorful, stain-free, mildew-free and last longer.

### Ultimate-Defense™ Benefits:

- Anti-bacterial and anti-fungal protection
- Easy clean up
- Minimizes wear and abrasion
- Designed to exceed U.S. Coast Guard weathering exposure
- Blocks liquid penetration
- Never needs refreshing throughout product life
- Safe for family and pets
- Products retain that “Newly-Bought” appearance
- Maintains maximum comfort and style
